Health Units of Study

Achievement in Health

Health Teacher: Mr. Williams	1st	2nd	3rd
Understands ideas / general health concepts			
Participates in focused conversations			

Learning and Social Skills in Health

	1st	2nd	3rd
Prepared: is organized and ready for class			
Cooperative: works / interacts well with others			

Physical Education Units of Study

Achievement in Physical Education

Physical Education Teacher: Mrs. Horre	1st	2nd	3rd
Demonstrates appropriate movement skills			
Applies skills to a dynamic setting (game)			

Learning and Social Skills in P.E.

	1st	2nd	3rd
Cooperative: works / interacts well with others			
Prepared: is organized and ready for class			

Art Units of Study

Achievement in Art			
Art Teacher: Mr. Zupko / Ms. DePuma	1st	2nd	3rd
Recognizes basic elements of art and design			
Applies elements / principles to works of art			

Learning and Social Skills in Art			
	1st	2nd	3rd
Thorough: attends to the quality of work			
Persistent: stays on task; remains focused			

Music Education Units of Study

Achievement in Music Education			
Music Teacher: Mr. Mottern	1st	2nd	3rd
Understands the elements of music			
Practices / performs alone and with others			

Learning and Social Skills in Music			
	1st	2nd	3rd
Engaged: participates in learning			
Cooperative: works / interacts well with others			

Computer Education Units of Study

Achievement in Computer Education			
Computer Education Teacher: Mrs. Elgrim	1st	2nd	3rd
Demonstrates effective input of text and data			
Navigates to and within applications			

Learning and Social Skills in Computer			
	1st	2nd	3rd
Engaged: participates in learning			
Thorough: attends to the quality of work			

Content: Science and Social Studies

Achievement in Content			
Content	1st	2nd	3rd
Understands ideas and concepts presented			
Supports ideas with reliable evidence			
Recalls pertinent information			
Research / Inquiry			
Finds and organizes information effectively			
Follows established lab protocol in science			
Communication			
Produces in written, graphic, oral formats

Mathematics Teacher(s):

Achievement in Mathematics

Number and Numeration	1st	2nd	3rd
Understands uses / representations of numbers		X	
Understands equivalent names for numbers	X		
Understands common numerical relations	X		X
Measurement and Reference Frames			
Understands systems/processes of measurement		X	
Uses and understands reference frames	X	X	
Operations and Computation			
Computes accurately			
Makes reasonable estimates		X	
Understands meanings of operations	X	X	
Knows addition facts			
Knows subtraction facts			
Knows multiplication facts			
Knows division facts	X		
Geometry			
Investigates 2 and 3 dimensional shapes		X	
Applies transformations and symmetry	X	X	X
Data and Chance			
Selects / creates graphs of data	X	X	X
Analyzes and interprets data	X		
Understands / applies concepts of probability		X	

Achievement in Math (cont.)

	1st	2nd	3rd
Patterns, Functions, and Algebra			
Understands patterns and functions	X	X	
Uses algebraic notation to represent and analyze	X		
Open-Ended Response			
Applies skills / concepts to multi-step problems			

Learning and Social Skills in Math

	1st	2nd	3rd
Resourceful: sorts out problems; seeks help			
Persistent: stays on task; remains focused			
Respectful: shows concern for others / property			
Cooperative: works / interacts well with others			
Prepared: is organized and ready for class			
Thorough: attends to the quality of work
